

Jane Simmonds

I have been a volunteer chaplain at Birchwood Park since November 2016. Before retiring I taught in several University Business Schools. My interests include travelling, reading, watercolour painting, attending Halle concerts and the theatre. I am usually in the Park on a Monday from 11am to 1pm

Lynne Deason

I am married to John. I have worked most of my life in the nursing / caring profession and more recently completed a Modern Apprenticeship in Business Management. I strive to bring light and love wherever I go. I will be around on a Wednesday 11.30am to 1.30pm

Dot Seed

My background has been in the nuclear and defence industries, and I worked on Birchwood Business Park for nearly 30 years. Now I'm happily retired! It's good to be back in the middle of the Business Park again – do come over and chat when you see me. I will be around on a Thursday from 12pm to 1.30pm

Andy Jordan

I am a life-long Sunderland fan (oh dear!) and more recently have taken to watching the egg-chasing exploits of Warrington Wolves. I enjoy cooking, drinking coffee, going to the gym and relaxing with my wife and cat. Like Dot I will be around on a Thursday from 12pm to 1.30pm

Anita Fath

I am the Regional Volunteer Coordinator for Warrington and St Helens. That means I am there to look after the volunteer chaplains at Birchwood. I am also around on occasions to be part of the chaplaincy team so I look forward to meeting you when I visit the volunteers.
