### Birchwood Way and College Place

#### Evening road closures starting 12 August, 7pm – 1am.

Carriageway surfacing work will be taking place on Birchwood Way at College Place junction and approaches from Monday 12 August. Phased road closures and traffic diversions will be in place to allow the work to be carried out safely.

**The programme of resurfacing work has been revised, and the new dates are shown on the plans below.**

The work will take place during weekday evenings, with roads closed from 7pm until 1am. Laying of the new surfacing will stop by about 11pm, but the roads will remain closed until 1am to allow the material to cool down.

The work is to be done in two sections, on the north and south sides of the roundabout and approach roads. The northern and southern sections of the roundabout will be closed in turn, with traffic diversions in place. There will be a third phase to surface Birchwood Way west of College Place. Please see the maps below. The programmed dates for each closure are shown but these may change if the work is affected by adverse weather etc.

Crab Lane will be closed for resurfacing at the same time as the north side of College Place. This includes the junction with Fearnhead Lane.

Woolston Grange Avenue will be closed from Harpers Road when the resurfacing is taking place on the south side of College Place.

Bus service diversions will be advertised on affected bus stops and on the Warrington's Own Buses website.

We apologise for any inconvenience caused by these roadworks and diversions.

### Carriageway surfacing, Oakwood Gate area

Carriageway surfacing work is programmed to start from 5 September for 2 weeks on George Duckworth Island west side, Oakwood Gate junction approach, and Birchwood Way westbound from Oakwood Gate. This work will be carried out from 7pm to 5am, Mondays to Friday nights, with road closures and diversions in operation.

Further information about both projects, including plans of the work, is on our website- [www.warrington.gov.uk/WE2](http://www.warrington.gov.uk/WE2). You can email the project team at [we2@warrington.gov.uk](mailto:we2@warrington.gov.uk).

### Monday 2 September for 3 evenings **Blackbrook Avenue to College Place**

Birchwood Way will be closed to traffic in both directions between Blackbrook Avenue and College Place from Monday 2 September for 3 evenings from 7pm to 1am. This closure is to allow the carriageway surfacing work to be completed on the western approach to College Place. Traffic will be diverted along Blackbrook Avenue, Enfield Park Road, Crab Lane and vice-versa.
